

Plane'R Fest Rules

Access to the festival is not allowed to persons carrying bulky objects.

It is also forbidden to bring in any object that could be used as a projectile and that could be a danger to festival-goers, artists or staff persons, and in particular:

- Bags and backpacks with a capacity of more than 10 liters
- Weapons and ammunition of all categories, tear gas bombs or any sharp object
- Explosive, flammable or volatile substances
- Bottles (glass, plastic, aluminium...)
- Alcoholic drinks (except those sold on site and contained in a plastic glass)
- Illicit products and substances
- Helmets, musical instruments (with or without cover), two-wheelers anti-theft devices
- Wheeled objects (bicycles, rollerblades, skates...) except wheelchairs.
- Video cameras and digital recorders (excluding photo passes)

Animals are strictly forbidden at the Plane'R Fest, except dogs for visually impaired persons.

Of course, ear defenders for children will be accepted.

AEROSOLS

Sunscreen must be in tube.

MECHANICAL sprayers are tolerated in case of high heat, but not aerosol sprayers. A misting system will be installed on the festival site to allow you to cool down.

These rules are subject to change, especially in the current context of coronavirus. In case of doubt, please refer to the rules posted on site during the festival.
